Introducing the

ECO-BRAKE

A price you're really going to like.

A cost-competitive press brake priced for shops big and small.

- Widely available parts
- Easy maintenance
- A more economical option compared to our patented proprietary hydraulics

The high-quality, high-tech press brake you really want.

It's still a press brake from Pacific!

- Unmatched 10-year warranty on our proven frame design
- High precision, reliable bends
- The latest tech features, including remote maintenance and monitoring
